Alan Menken, who had previously composed music for *Little Shop of Horrors*, collaborated with Howard Ashman, renowned for his theatrical work, to develop a musical score that would revitalize Disney’s animated features. The song was conceived as Ariel’s I Want song, a common trope in musical theater where a character expresses their deepest desires early in the narrative. Originally, the song was intended to be a solo piece showcasing Ariel’s internal conflict—the tension between her curiosity about the human world and her longing to belong there. It was also meant to establish her character’s emotional core, setting the stage for the film’s themes of identity, longing, and self-discovery.
