Candidates seeking to join the U.S. Air Force as officers, including those applying for pilot, combat systems officer, or other specialized roles, are required to take the AFOQT. The test is typically taken at designated testing centers or through the Air Force's testing programs.

Test Format and Duration

The AFOQT generally lasts about 3.5 hours, including breaks, and consists of multiple-choice questions across various sections. The test is divided into two main categories: - Verbal and Quantitative Subtests: These sections measure general mental ability. - Pilot, Navigators, and Other Specialized Subtests: These assess specific skills relevant to roles like pilot or navigator.

The Structure of the AFOQT
