The initial publication was a single volume, but the concept quickly gained a following, leading to subsequent editions, spin-offs, and an online presence that further expanded the universe. Kenkou Cross's approach diverged from typical monster portrayals, humanizing these creatures and emphasizing their personalities, cultures, and social structures. His goal was to create a comprehensive compendium that not only depicts the visual aspects of these beings but also delves into their lore, habitats, and relationships with humans.
