The Origins of “Let My People Go Surfing”

Yvon Chouinard’s Early Life and Philosophical Foundations

Yvon Chouinard, born in 1938 in Maine, grew up immersed in outdoor activities, particularly rock climbing and surfing. His early encounters with nature fostered a profound respect for the environment, which would later influence his business ethos. Chouinard’s approach to life and work was characterized by a desire for authenticity, independence, and harmony with nature.

The Birth of Patagonia and Its Cultural Ethos

Founded in 1973 in Ventura, California, Patagonia began as a small company making climbing gear. From its inception, Chouinard emphasized quality, durability, and environmental responsibility. As the company grew, so did its commitment to ethical practices, culminating in the adoption of the phrase “Let My People Go Surfing” in the late 1980s. Chouinard reportedly coined the phrase during a period when he was advocating for a flexible, trust-based work environment that prioritized employee well-being and personal passions. The phrase served as a rallying cry for a corporate culture that encourages employees to pursue their passions—be it surfing, skiing, or mountain climbing—while aligning their personal values with their professional lives.
