What Is Urdu Script?

Urdu script is a modified form of the Persian-Arabic script, written in a cursive style from right to left. It consists of 39 basic letters, with additional characters formed using diacritics and letter combinations. Urdu is highly phonetic, with its script closely aligned to pronunciation, which makes learning to read and write more intuitive once familiar with the alphabet.

Key Features of Urdu Script

1. Written from right to left
2. Complex letter forms that change based on their position in a word (initial, medial, final, isolated)
3. Use of diacritics to denote vowels and pronunciation nuances
4. Letters often connect seamlessly within words
