Every edition of the AP Stylebook introduces updates to language use, terminology, and style rules. The 56th edition, released in 2023, incorporates several notable changes and clarifications. Here's a breakdown of the most impactful updates:

1. Updated Language on Gender and Identity

Recognizing societal shifts, the 56th edition emphasizes respectful language regarding gender identity and expression. It provides clearer guidance on the use of pronouns, titles, and terminology to promote inclusivity.

1. Pronouns: Use the pronouns individuals specify. For example, "She said she will attend," or "They are planning to visit."
2. Gender-Neutral Terms: When appropriate, use terms like "they," "partner," or "spouse" instead of gender-specific titles.

The edition advocates for precise and respectful language related to race and ethnicity, encouraging writers to be specific rather than vague, and to avoid stereotypes.

1. Use "Black" and "White" as proper nouns when referring to racial groups.

1. Updates on Technology and Digital Terms

As technology evolves rapidly, the guide includes updates on digital terminology:

1. "Email" (vs. "e-mail") is now standardized as one word.
